## Fuel Section

County Farm Centre Fuels offer our Farm and Commercial customers an exciting worry-free Price Protection Plan. Price Guard enables you to establish a ceiling on your fuel prices for up to six months. This program protects you against rising fuel prices, while offering the benefit of paying a lower price if market prices decrease.

Talk to Tim Davey to determine if this is a good option for your business.

As the cold temperatures settle in, we want to keep you warm. So if you are phoning in a home heating oil order, remember to give us 3 business days to process your order. Jamie is always happy to hear from you at 1-866-924-2322 and will ensure your tank is filled.
